

## Thematic Session

**Session title:** Nonlocal Phenomena: Levy processes and related operators

**Organizers:**

Krzysztof Bogdan, Wrocław University of Technology, [krzysztof.bogdan@pwr.wroc.pl](mailto:krzysztof.bogdan@pwr.wroc.pl)

Rene Schilling, TU Dresden, [rene.schilling@tu-dresden.de](mailto:rene.schilling@tu-dresden.de)

**Description of the topic:**

The session will be devoted to nonlocal phenomena modeled by jump Markov processes, pseudodifferential operators, and to related stochastic calculus and Fourier analysis.
