Thematic Session

Session title: Spaces of analytic functions

Organizers:

Paweł Mleczko, Adam Mickiewicz University, Poland, `pml@amu.edu.pl`

Elke Wolf, Universität Paderborn, Germany, `lichte@math.uni-paderborn.de`

Description of the topic:

The session will focus on various aspects of spaces of analytic functions and operators acting on these spaces. In particular the topic will cover Hardy, Bergman and related spaces as well as special operators like composition operators, multiplication operators and friends. Besides, the aim of the session is to discuss problems connected to Taylor's coefficients of analytic functions and multipliers.

2011 Mathematic Subject Classification:
